Hi Kurt. I am guessing you have this information pulled together already. Can you please let me know asap what you think the best strategy is for meeting this request? Apologies for the short time frame – this one just came in to us. Thanks, P. Grevatt

Peter, et. al – Just fielded a call from OCIR. The WH will be meeting with the Mayor of Flint this week. The front office is asking for any TPS and brief background on ongoing actions we have in Flint or topics we think that could arise in the meeting with the Mayor.

They would like it by COB today if possible. Please let me know if this is doable, or what portion of this may be doable by COB. Thanks!
